# Transfer Of Ownership Form

## Greyhounds Details:

**Name:**  **Earbrands:**   
**Colour:**  **Sex:**  **Date Whelped:**

This is to confirm that I, as the owner or person responsible for the above greyhound, hereby give my permission for the ownership of this greyhound to be transferred, without charge or reservation, to the Greyhound Adoption Program, for assessment as to suitability for adoption, and, if appropriate, for subsequent medical and surgical preparation as a companion animal.

**I understand that if the above mentioned greyhound does not graduate successfully from the GAP, it will be euthanised without my notification unless I request its return.**

## Your Details:

**Surname:**  **First Name:**   
**Address:**   
**Suburb:**  **Post Code:**  **State:**   
**Phone: (H)**  **(W)**  **(M)**   
**Email:**   
**Date:**  **Signed:**

Would you like the dog to be returned to you if it fails the program?  **Yes**  **No**

I would be happy for the new owners of this dog to contact me:  **Yes**  **No**

# Transfer Of Ownership Form

Thank you for placing your greyhound with the Greyhound Adoption Program. Could you please take the time to read the information listed below, and return the completed forms.

## Please post to:

Greyhound Adoption Program  
PO Box 785  
Seymour VIC 3661

---

## Your greyhound is due into GAP on the week commencing Monday

The dog can come into GAP any day during this week (it doesn't have to be on the Monday) but your spot is held open for this particular week **only**.

## Entry requirements

All of the following items must be provided for the greyhound to be accepted into GAP:

- **\$100** entry fee (cheques made payable to **GRV**)
- Registration or naming papers
- A muzzle (in good condition) which fits the greyhound
- Proof of **current C5** vaccination

**Vaccination must be given minimum 10 days prior to entry to GAP** (under no circumstances will greyhounds be accepted into the Program without this vaccination)

Could you please ensure that your greyhound is bathed & flea & worm free prior to coming to GAP. If you have a bitch who is on medication to prevent her coming into season, please continue giving this right up until the time she comes into GAP.

**Please note: we cannot accommodate bitches in season or dogs with soundness or health issues eg. Pannus, chronic lameness, deformities, heart problems**

While at the GAP Kennels, the greyhound will be tested with small animals and begin basic obedience training. He/she will also be desexed, vaccinated, heartworm tested, teeth cleaned etc. After convalescence, the dog will be placed into a foster home. At this home we will start teaching house training and other aspects of life in a domestic environment. When the dog is progressing well, it will be adopted out to the most appropriate home. It is **essential** that at the time of adoption, the greyhound must accept all other dogs safely, particularly small, white, fluffy ones. The aim of GAP is to place the right dog in the right home.

Could you please complete the following brief questionnaire, giving as much information as possible.

Thank you for giving your dog a chance at life outside the racing environment!
